

## *St. Louis City Ordinance 62652*

FLOOR SUBSTITUTE

BOARD BILL NO. [92] 77

INTRODUCED BY ALDERMAN JO ANNE WAYNE

An Ordinance recommended by the Airport Commission, the Board of Public Service and the Board of Estimate and Apportionment to initiate a Public Work and Improvement Program at Lambert-St. Louis International Airport consisting of but not limited to architectural, engineering, planning and related consultant and management services pertaining to the planning, design and construction of a new Light Rail Station to be located between the Main Terminal, East Connection and Concourse D at a total estimated cost of Three Million, Eight Hundred Thousand Dollars (\$3,800,000.00); appropriating the total sum of Three Million, Eight Hundred Thousand Dollars (\$3,800,000.00) from the Airport Development Fund to be expended for work authorized in Section One of this Ordinance; authorizing the Board of Public Service to let contracts, purchase material and equipment, employ labor, pay salaries, wages, fees and otherwise provide for work authorized herein; authorizing the Comptroller of the City of St. Louis to draw warrants from time to time on the Treasurer of the City of St. Louis for payment of expenses authorized herein; providing that all contracts let under authority of this Ordinance shall be in compliance with all applicable MBE/WBE and/or DBE requirements; and containing an emergency clause.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

Section One. There is hereby enacted an ordinance instituting a Public Work and Improvement Program at Lambert-St. Louis International Airport consisting of but not limited to architectural, engineering, planning and related consultant and management services pertaining to the planning, design, consulting, preparation and production of contract documents, advertising and taking of bids, construction management and construction for a new Light Rail Station to be located between the Main Terminal, East Connection and Concourse D. This project shall include but not be limited to partial demolition and removal of existing structures, pavement, landscaping and utilities, rough and finish grading, installation of new or relocated structure, mechanical and electrical systems, wall framing, exterior panels, glazing, roofing canopies and windscreening, interior framing, walls, ceilings, lighting, floor finishes, stairs, vertical transportation systems, signage, audio systems and other related items

or work necessary to provide a complete Light Rail Station at a total estimated cost of Three Million, Eight Hundred Thousand Dollars (\$3,800,000.00).

Section Two. There is hereby appropriated the sum of Three Million Eight Hundred Thousand Dollars (\$3,800,000.00) from the Airport Development Fund established under authority of Ordinance 59286, Section 13, approved October 26, 1984, to be expended for work authorized in Section One of this Ordinance.

Section Three. The Board of Public Service is hereby authorized to let contracts, purchase material and equipment, employ labor, pay salaries, wages, fees and otherwise provide for work herein authorized. All specifications shall be approved by the Board of Public Service.

Section Four. The Comptroller of the City of St. Louis is hereby authorized to draw warrants from time to time on the Treasurer of the City of St. Louis for payment of expenses authorized herein upon submission of properly certified vouchers in conformance with procedures established by said Comptroller.

Section Five. All contracts let under authority of this Ordinance shall be in compliance with all applicable MBE/WBE and/or DBE requirements.

Section Six. This being an Ordinance providing for Public Work and Improvement, it is hereby declared to be an emergency measure as defined in Article IV, Section 20, of the City Charter and shall become effective immediately upon its approval by the Mayor of the City of St. Louis.
